

What is new in VeraLab 3.1?

1. **Student Portal page.** The page doesn't require login and can be accessed from any browser. This is a read only page that will display such information as room occupancy, schedule, and VeraLab LiveMap.

Student Portal URL: [http://\[your_server_host\]:8080/veralab/LabOccupancyAction.do?](http://[your_server_host]:8080/veralab/LabOccupancyAction.do?)

The screenshot shows a web browser window titled "Student Portal - Microsoft Internet Explorer presented by Comcast". The address bar shows the URL <http://localhost:8080/veralab/LabOccupancyAction.do?>. The page content includes the VeraLab logo and a section titled "Student Portal" containing a table with the following data:

Room	Vacant	Room Total	Sign-in mode	Schedule	LiveMap
B53A	0	6	Self-service		
B53B	0	2	Self-service		
Dummy Room	0	10	Self-service		
Library 01	0	17	Self-service		

2. **VeraLab LiveMap.** From Manager role -> LiveMaps task you can now create room/lab maps, with your real background floor plans and easy drag and drop editor for placing computers.
